About Me

I am a highly skilled Flutter App Developer and passionate in C++. I enjoy staying up-to-date with the latest developments in the tech industry and working on personal projects to expand my skills. I am eager to apply my skills and knowledge to new challenges in the professional world.

Projects

DJSCE

Published the DJSCE app on play store all by my own currently having 100+ users on the app using firebase authentication, database and storage. Also integrated ads using google admob.
